

Dear Auto Enthusiast:

Clarkdale, Arizona is excited to be celebrating it's 100th anniversary with year-long activities, beginning with a car show on Saturday, March 10th, 2012, and here is your special invitation. The "1912 to 2012" car show is also a "Sink or Swim" fund raiser for the Clarkdale Community pool. We are especially hopeful to attract vehicles from 1912 with each following year represented, and this is where your club's participation is so important to us.

Small, down home, friendly Clarkdale (which some folks compare to Mayberry) is surrounded by the beautiful Verde Valley. You're invited to gas up at Clarkdale's Classic Gas, a one-of-a-kind copper covered station, built in 1942. Also, be sure to visit our museum and experience 100 years of history.

The old copper mining town of Jerome, the Verde Canyon Railway, Tuzigoot and Montezuma National Monuments, Old Town Cottonwood, the Verde River Greenway and Dead Horse State Park, as well as the beautiful red rocks of Sedona are all less than thirty minuets driving time away. With all there is to see and do and the car show too, we are confident that you will enjoy yourselves.

Attached is a flyer, backed with an entry form. Please call Dave at 928-634-8207 for more information. We look forward to seeing you.
